PROFESSIONAL SUMMARY

A highly motivated and results-oriented ICT professional with proven expertise in web development, software engineering, digital education, and data analysis using Pandas for efficient data cleaning, manipulation, and insight generation. Demonstrates strong capability in designing, developing, and deploying scalable, user-centric applications using modern technologies, including Angular JS, HTML, CSS, JavaScript, Java, and backend frameworks such as Node.js and Spring Boot.

Possesses hands-on experience in end-to-end project development. Proficient in working with relational databases such as PostgreSQL and MySQL, and experienced in applying Agile methodologies to ensure efficient, high-quality, and timely delivery of solutions. And experience is AI Prompting, with AI coding IDE such as Cursor, AntiGravity, Kiro, IntelliJ Idea, Visual studios etc

Recognized for strong analytical thinking, effective communication, and collaborative teamwork, with the ability to perform in fast-paced, deadline-driven environments. Committed to continuous professional development, leveraging emerging technologies, and delivering innovative, value-driven solutions that align with organizational goals.

EDUCATION

University of Makeni | Makeni, Sierra Leone

December 2020 - August 2024

BSc in Computer Science | GPA: 4.21/5.00 | Division One

TECHNICAL SKILLS

Languages: Java, Python(Pandas, Matplotlib), Typescript, JavaScript, HTML, CSS.

Tools and Framework: Angular JS, Git, GitHub, GitLab, Node js, SpringBoot, Hibernate JPA,

AI Prompting, Gradle, Microsoft Office Suite, Google WorkSpace.

Database: PostgreSQL, MySQL

PROFESSIONAL EXPERIENCE

UniMak Workflow & Innovation Hub(UWIH)

Technical Team and Head of Media

September 2024- April 2025

Ubuntu Tech Afrika, Sierra Leone Intern

Software Developer

July 2025-February 2026

Extracurricular Activities

Head Coach, Computer Science Society Football Team

April 2023 - 2024

Member, Computer Science Society (COMSSU)

January 2021 - 2024

- Participated in organizing IT week and workshops to promote technological awareness and skills among students.

Organizing Secretary, Computer Science Society

2022 - 2023
